

**BUSINESS DEVELOPMENT MANAGER  
FOOD AND/OR PETFOOD INGREDIENTS**

Cima Nutrition nv ([www.cima.be](http://www.cima.be)) is an importer and producer of very specific ingredients that are used by pet food producers and industrial food processors in Europe. We've been in the market since 1997 and to support our further growth, we are hiring an International Sales Manager for our site in Vichte, Belgium.

Are you experienced in either one of our domains (supplies to food or to the petfood industry)? Do you like high involvement in product and business development? Would you enjoy discussing ideas with our customer's R&D departments and can you negotiate at high purchase levels?

If so, please get in touch with us ([jobs@cima.be](mailto:jobs@cima.be)) We would very much like to talk to you!

We offer you a great, small team and plenty of possibilities for your own development in an open and flexible environment.
